

PRESS RELEASE

FROM: BARTEL & COMPANY REALTORS AND AUCTIONEERS

Middlebury IN- Bartel & Company Realtors Auctioneers is pleased to announce the addition of Craig Blough as a Broker/Realtor to the crew at Bartel & Company. Mr. Blough will be working in the real estate sales area with a focus on farms, land and farmland leasing. Craig will also be happy to be of service in other areas of real estate sales including Auction work, residential and investment properties.

Born and raised in Elkhart County, Craig, his wife Jessica, and son Theodore now live on their family farm in Goshen where they maintain a cow-calf and small row crop operation. Craig graduated from Purdue University in 2009 with a BS in Agricultural & Biological Engineering. After graduation, Craig worked at John Deere in various locations throughout the Midwest. While in the workforce at Deere & Co. and later at DeLaval, Inc., Craig completed his MS-MBA in Food and Agribusiness Management. Craig is also a Robotics Specialist for DeLaval in Indiana & Michigan. In this role, Craig focuses on sales, project management, facility design and practical on-farm consulting after the sale. Craig works with dairy farmers to conceptualize and convert their vision of the future into a successful build and startup.

Being a farmer land owner, Craig has a special appreciation for real estate and will bring his understanding of current farming dynamics and the perspective of his generation to the team at Bartel & Company Realtors Auctioneers.

Bartel & Company was founded in 1988 and enjoys a top of its class reputation when dealing with larger land transactions, development projects, auctions and commercial jobs involving complexity and requiring attention to detail.
